Village Green

Delicious food | Locally sourced | Made with care

Welcome to our indie cafe in the beautiful Peak District village of Eyam. We are a family business and are passionate about great coffee and quality food, made fresh to order. Enjoy our award-winning bakes, perfectly-brewed beans and homemade recipes in the heart of the Peaks' most historic village. There's even treats for your four-legged friends!

Made from the best

We source our meat from New Close Farm in Bakewell and our delicious breads are from Wye Bakehouse and Welbeck Bakehouse. Aqua Garden grow our salad leaves supplemented by herbs from our pots during the Summer months.
